ROY COOPER
GOVERNOR

J. ERIC BOYETTE
SECRETARY

August 3, 2020

Dear Colleagues:

As the chairman of the DOT Advisory Board, I work closely with Richard Krolewski to facilitate communication between departments of transportation, producers, and third-party certification groups. Richard has served as a valuable resource for DOTs for many years, and he is actively working to harmonize state acceptance criteria and achieve a more seamless transfer of QC data between producers and DOTs.

Sincerely,
Cabell
